

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Organizations That Build Partnerships

School Site Council

SSC is a decision-making council comprised of parents, teachers and staff that develops the *Single Plan for Student Achievement (SPSA)* and ensures that all parent-involvement mandates are met. They are charged with aligning Title I funding with the needs of the school.

English Learner Advisory Committee

ELAC provides formal recommendations to the SSC regarding programs and services for English learners in regards to the *Single Plan for Student Achievement*.

Parent Teacher Association

The PTA promotes the interests and well-being of students and parents at home, school and the community, while adhering to the mission of the California State PTA. Fundraising efforts have provided enrichment activities for all students at Eagle Rock Elementary. www.eaglerock-pta.org

Eagle Rock Elementary Education Foundation

EREEF is made up of volunteer parents and teachers who work together with the community to ensure all students at Eagle Rock Elementary get the educational opportunities they deserve. Fundraising efforts have supported funding our new library and supplemental technology. www.EREEF.org

Parent Volunteers

Parents are encouraged to participate in their child's class and to observe classroom activities. There are also numerous opportunities to volunteer at the school-wide level. Please contact us to learn how!

Eagle Rock Elementary Mission & Vision Statements

Mission

The teachers, administrators, staff and parents of Eagle Rock Elementary work together to provide an educational environment that promotes dignity and respect for diversity. We strive to provide equal access for all students to an engaging, research and standards-based instructional program, that helps each student reach their maximum potential.

Vision

The vision of Eagle Rock Elementary is to implement a research and standards-based instructional program that provides a positive, nurturing climate that stimulates maximum academic and social growth; inspires appreciation and respect for diversity; and empowers all children to be lifelong learners and successful, active participants in a changing society.

Teachers, Parents and Students *Working Together for Success*

Teachers & Staff at School

Teach challenging and differentiated lessons that promote high student achievement and academic rigor based on grade level standards.

Clearly communicate academic expectations to students and parents and provide opportunities to gain more information when needed.

Maintain high expectations and inspire students to develop a love of learning and an appreciation and respect for diversity as outlined in the *Eagle Rock Elementary Code of Conduct*.

Maintain frequent communication with families and be flexible in welcoming them in their children's education.

Staff members actively participate in professional development to ensure that curriculum and practices are current and of high quality.

Provide a safe, positive, and nurturing environment that stimulates academic and social growth.

Parents & Support Providers at Home

Ensure the child's daily and punctual attendance.

Support learning by reading to and with the child daily, and providing a quiet place for homework that is reviewed daily.

Provide proper nutrition, regular medical attention, and ensure adequate sleep nightly.

Limit the use of recreational time on computers, TV, electronic devices and cell phones and encourage positive use of extracurricular time.

Participate in parent-teacher conferences, school events, and read school communication, especially regarding academic standards and expectations.

Support the *Eagle Rock Elementary Code of Conduct*.

Encourage the child to become a positive member of and contributor to our diverse community.

Promote the understanding of the classroom teacher's expectations and promote the importance of higher education.

The Student Will

Attend school each day ready to actively participate in classroom lessons.

Complete all assignments and homework to the best of their ability.

Take ownership of their learning and study habits to ensure their own academic success.
