Dear Eagle Rock Elementary Parent/Guardian,

Welcome back! 😊

Another school year is upon us, and with it, big changes. With the move of Ms. San Jose, our principal, and Ms. Avakian, our Magnet and Title I Coordinator, we also saw the departure of teachers Ms. Reeves, Ms. Ghazarian, and Ms. Ramirez. We have just been informed by our TSP Coordinator, Ms. Ronquillo, and our Office Tech, Ms. Sonia Ramos, that they will also be leaving us. We wish them peace and success in their roles at their new schools. On a positive note, we welcome Ms. Gotz into the Highly Gifted Magnet, and Ms. Sullivan Liautaud as the new part-time Magnet Coordinator.

In the interim, I, myself, have been assigned to be Eagle Rock's principal, until the District interviews and places a permanent one.

We humbly ask that our families and community be patient as we transition to this new reality.

All information contained in this letter is subject to change, pending additional guidance from the District. We will update our website with the most recent information as we receive it:

COVID PROTOCOL

The District is instituting a "RESPONSE TESTING" Protocol:

"Response testing means only those who present with symptoms, or who have been exposed to a confirmed positive case (inside or outside of school or work), will be required to test with a rapid

antigen test. Response testing with rapid antigen tests is in lieu of weekly asymptomatic screening testing for everyone.”

To start school on August 15th, all families are invited to pick up a RAPID ANTIGEN TEST KIT & are encouraged to test their children within 48 hours before August 15, 2022.

PICK-UP COVID TEST KITS: August 8-12, 2022, from 8:30 am – 4:00 pm.

TEST @ HOME: August 13-14, 2022.

- If it's a NEGATIVE result, send your child to school on Monday, August 15, 2022.*
- If it's a POSITIVE result, UPLOAD RESULT to <https://pap.lausd.net/>, call the school @ 323.254.6851 & keep your child at home.*

Indoor masking will be strongly recommended, for employees & students at Eagle Rock Elementary.

With that said, we await further guidance from the District, especially in regards to Daily Pass requirements.
