

## Supply List for At-Home Learning

Many of these items can be purchased on sale, over the course of the summer.

(Brand names, such as Crayola and Expo, are included because teachers have found them to be of the best quality.)

**Please have these items available at home for your child to complete our remote learning assignments. It would be a good idea to find a bin/basket/box to keep your child's items together and organized in their learning space at home.**
